Go Here... <https://training.fema.gov/is/>

Scroll down and you will see menu items on the left.

The screenshot displays the FEMA Emergency Management Institute website. On the left is a navigation menu with the following items: IS Home, IS Course List, Lista de cursos de español, EMI Student Portal, Register for a FEMA SID, Critical Infrastructure Security and Resilience, Curriculum (highlighted with a blue arrow), and Frequently Asked Questions. The main content area is titled "Distance Learning" and includes a search bar with the placeholder text "Enter Keyword(s) or C". Below the search bar, there are two informational boxes: a yellow one stating "Before contacting the Independent Study Office, please review the [FAQ's](#) pro" and a light blue one stating "The Emergency Management Institute (EMI) offers self-paced courses desig emergency management responsibilities and the general public. All are offer qualify for enrollment. [Follow this link for more information on SID recovery, Student Portal, a](#)". A dark blue banner indicates "Total Active Courses: 209". Below this, there is a section for "Calendar Year Extensions" with sub-sections for "March" and "February". The "March" section contains the text "• No new courses in March — See Entire Course List". The "February" section contains the text "• No new courses in February — See Entire Course List".

If you don't already have a Student ID (SID), you will need to register for a FEMA SID...

Once you have your SID, don't lose it. You will use it often on this website.
You can visit the EMI Student Portal to see and print Transcripts and Certificates.

Course Overview

ICS 100, Introduction to the Incident Command System, introduces the Incident Command System (ICS) and provides the foundation for higher level ICS training. This course describes the history, features and principles, and organizational structure of the Incident Command System. It also explains the relationship between ICS and the National Incident Management System (NIMS). The Emergency Management Institute developed its ICS courses collaboratively with:

- National Wildfire Coordinating Group (NWCG)
- U.S. Department of Agriculture
- United States Fire Administration's National Fire Programs Branch

Course Objectives:

At the completion of this course, you should be able to:

- Explain the principles and basic structure of the Incident Command System (ICS).
- Describe the NIMS management characteristics that are the foundation of the ICS.
- Describe the ICS functional areas and the roles of the Incident Commander and Command Staff.
- Describe the General Staff roles within ICS.
- Identify how NIMS management characteristics apply to ICS for a variety of roles and discipline areas.

Primary Audience

The target audience includes persons involved with emergency planning, and response or recovery efforts.
