

Macon Area Ham Radio Society

Field Day is ham radio's open house. Every June, more than 40,000 hams throughout North America set up temporary transmitting stations in public places to demonstrate ham radio's science, skill and service to our communities and our nation. It combines public service, emergency preparedness, community outreach, and technical skills all in a single event. Field Day has been an annual event since 1933, and remains the most popular event in ham radio.

June 27-28, 2025

1:00 pm Saturday to 4:00 pm Sunday

Location:

30 Weldon Drive
Lafayette, TN 37083

Red: Bays that ambulances enter and exit from;

No Parking! This is the actual front of the building. If you enter it into a GPS, this is where it will take you.
